Text from Stephanie about the HR article and us hiring Melissa for Crisis.

"This wasn't planted by Leslie. This is playbook by Melissa.

There was no NY Post story she kept at bay. Melissa sister works at Page 6.
we need to flood zones with positive press and push back on claims. there's no counter to claims in story.
his complementary soundbites of blake need to be covered on high seo sites"

I don't like the idea that there is continued cannibalization from within the same side. Meaning "Jonesworks" ie Stephanie, and the Crisis team. I only want us to be communicating with people who are working together and not with ones who are undermining others within our team. Stephanie is casting doubt and that can have an affect like poison.

I'm going to bed. A first for me in forever.
Let's chat more tomorrow about this.

Thanks Tera. So bummed by this and the lack of support for Justin. But we forge ahead.
